At its 44th plenary meeting, on 20 November 1990, the General Assembly, on the recommendation of the Fourth Committee, 91/ adopted the following text:

"1. The General Assembly, having considered the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the

Declaration on the Granting of Independence to Colonial Countries and Peoples relating to an item on the agenda of the Special Committee entitled 'Military activities and arrangements by colonial Powers in Territories under their administration which might be impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples' 92/ and recalling its resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to military activities in Non-Self-Governing Territories, and conscious that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination, reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn and that no further entrenchment should be condoned.

"2. In recalling its resolution 1514 (XV) and all other relevant resolutions and decisions of the United Nations relating to military bases and installations in colonial and Non-Self-Governing Territories, the General Assembly reaffirms its strong conviction that the presence of military bases and installations in the colonial and Non-Self-Governing Territories could constitute a major obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and that it is the responsibility of the administering Powers to ensure that the existence of such bases and installations does not hinder the populations of the Territories from exercising their right to self-determination and independence in conformity with the purposes and principles of the Charter of the United Nations and the Declaration. Furthermore, aware of the presence of military bases and installations of the administering Powers concerned and other countries in those Territories, the Assembly urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States and to comply fully with the purposes and principles of the Charter, the Declaration and the resolutions and decisions of the United Nations relating to military activities and arrangements by colonial Powers in Territories under their administration.

"3. The General Assembly reiterates its condemnation of all military activities and arrangements by colonial Powers in Territories under their administration that are detrimental to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Assembly once again calls upon the colonial Powers concerned to terminate unconditionally such activities and to eliminate such military bases in compliance with the relevant resolutions of the Assembly, in particular with paragraph 9 of the Plan of Action for the Full Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in the annex to Assembly resolution 35/118 of 11 December 1980.

92/ A/45/23 (Part IV), chap. VI.

"4. The General Assembly reiterates that the colonial Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

"5. The General Assembly notes with serious concern that, in southern Africa in general, a critical situation continues to prevail as a result of South Africa's inhuman repression of the people of South Africa. The Assembly declares that the policy of apartheid and destabilization not only undermines the peace and stability of the southern African region but also constitutes a threat to international peace and security.

"6. The General Assembly condemns the continued military, nuclear and intelligence collaboration between South Africa and certain countries, which constitutes a violation of the arms embargo imposed against South Africa by the Security Council in its resolution 418 (1977) of 4 November 1977 and poses a threat to international peace and security. The Assembly urges the Council to consider, as a matter of urgency, the report of the Committee established under its resolution 421 (1977) of 9 December 1977 93/ and adopt further measures to widen the scope of its resolution 418 (1977) in order to make it more effective and comprehensive. The Assembly also calls for the scrupulous observance of Security Council resolution 558 (1984) of 13 December 1984 enjoining all States to refrain from importing armaments from South Africa. The Assembly is particularly mindful in that regard of a series of resolutions adopted by the Security Council, 94/ the General Assembly, the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and the Special Committee against Apartheid, as well as the Movement of Non-Aligned Countries, the Organization of African Unity, the Commonwealth and a number of intergovernmental and regional organizations.

"7. The General Assembly considers that the acquisition of nuclear-weapon capability by the racist régime of South Africa, with its infamous record of violence and aggression, constitutes a further effort on its part to terrorize and intimidate independent States in the region into submission while also posing a threat to all mankind. The Assembly condemns the continuing support to the racist régime of South Africa in the military and nuclear fields. In this context, the Assembly expresses its concern at the grave consequences for international peace and security of the collaboration between the racist régime of South Africa and certain Western Powers, Israel and other countries in the military and nuclear fields. It calls upon the States concerned to end

all such collaboration and, in particular, to halt the supply to South Africa of equipment, technology, nuclear materials and related training, which increases its nuclear capability.

"8. The General Assembly strongly condemns the continuing collaboration of certain countries with the racist régime in the military and nuclear fields and expresses its conviction that such collaboration is in contravention of the arms embargo imposed against South Africa under Security Council resolution 418 (1977) and undermines international solidarity against the apartheid régime. The Assembly thus calls for the termination forthwith of all such collaboration.

"9. The General Assembly urges all Governments, the specialized agencies and other intergovernmental organizations to provide increased material assistance to the thousands of refugees who have been forced by the apartheid régime's oppressive policies in South Africa to flee into the neighbouring States and for the purpose of resettlement of those who are returning.

"10. The General Assembly deprecates the continued alienation of land in colonial Territories for military installations. The large-scale utilization of local economic and manpower resources for this purpose diverts resources that could be more beneficially utilized in promoting the economic development of the Territories concerned and is thus contrary to the interests of their populations.

"11. The General Assembly requests the Secretary-General to continue, through the Department of Public Information of the Secretariat, an intensified campaign of publicity with a view to informing world public opinion of the facts concerning the military activities and arrangements in colonial Territories which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in Assembly resolution 1514 (XV).

"12. The General Assembly requests the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to examine this question and to report thereon to the Assembly at its forty-sixth session."

45/407. Question of Gibraltar

At its 44th plenary meeting, on 20 November 1990, the General Assembly, on the recommendation of the Fourth Committee, 95/ adopted the following text as representing the consensus of the members of the Assembly:

"The General Assembly, recalling its decision 44/426 of 11 December 1989 and recalling at the same time that the statement agreed to by the Governments

of Spain and the United Kingdom of Great Britain and Northern Ireland at Brussels on 27 November 1989, 96/ stipulates, inter alia, the following:

> 'The establishment of a negotiating process aimed at overcoming all the differences between them over Gibraltar and at promoting co-operation on a mutually beneficial basis on economic, cultural, touristic, aviation, military and environmental matters. Both sides accept that the issues of sovereignty will be discussed in that process. The British Government will fully maintain its commitment to honour the wishes of the people of Gibraltar as set out in the preamble of the 1969 Constitution',

takes note of the fact that, as part of this process, the Ministers for Foreign Affairs have held annual meetings alternatively in each capital, and urges both Governments to continue their negotiations with the object of reaching a definitive solution to the problem of Gibraltar in the light of relevant resolutions of the General Assembly and in the spirit of the Charter of the United Nations."

45/408. Question of Pitcairn

At its 44th plenary meeting, on 20 November 1990, the General Assembly, on the recommendation of the Fourth Committee, 95/ adopted the following text as representing the consensus of members of the Assembly:

> "The General Assembly, having examined the relevant chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, 97/ reaffirms the inalienable right of the people of Pitcairn to self-determination in conformity with the Declaration on the Granting of Independence to Colonial Countries and Peoples, which fully applies to the Territory. The Assembly further reaffirms the responsibility of the administering Power to promote the economic and social development of the Territory. The Assembly urges the administering Power to continue to respect the very individual life-style that the people of the Territory have chosen and to preserve, promote and protect it. The Assembly requests the Special Committee to continue to examine the question at its next session and to report thereon to the Assembly at its forty-sixth session."

45/409. Question of St. Helena

At its 44th plenary meeting, on 20 November 1990, the General Assembly, on the recommendation of the Fourth Committee, 95/ having examined the relevant chapters of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Peoples, 98/ reaffirmed the inalienable right of the people of St. Helena to self-determination and independence in conformity with the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in Assembly resolution 1514 (XV) of 14 December 1960. The Assembly urges the administering Power, in consultation with the Legislative Council and other representatives of the people of St. Helena, to continue to take all necessary steps to ensure the speedy implementation of the Declaration in respect of the Territory and, in that connection, reaffirmed the importance of promoting an awareness among the people of St. Helena of the possibilities open to them in the exercise of their right to self-determination. The Assembly reaffirmed the responsibility of the administering Power to promote the economic and social development of the Territory and called upon the administering Power to continue, in co-operation with the territorial Government, to strengthen the economy and to increase its assistance to diversification programmes. The Assembly urged the administering Power, in co-operation with the territorial Government, to continue to take effective measures to safeguard and guarantee the inalienable right of the people of St. Helena to own and dispose of the natural resources of the Territory, including marine resources, and to establish and maintain control over the future development of those resources. The Assembly expressed the view that the administering Power should continue to implement infrastructure and community development projects aimed at improving the general welfare of the community, including the unemployment situation, and to encourage local initiative and enterprise, particularly in the areas of fisheries development, forestry, handicrafts and agriculture. The Assembly, in view of the serious developments in South Africa, noted with concern the trade and transportation dependency of the Territory on South Africa. The Assembly reaffirmed that continued development assistance from the administering Power, together with any assistance that the international community might be able to provide, constitutes an important means of developing the economic potential of the Territory and of enhancing the capacity of its people to realize fully the goals set forth in the relevant provisions of the Charter of the United Nations. The Assembly, in that connection, welcomed the assistance rendered by the United Nations Development Programme and invites other organizations of the United Nations system to assist in the development of the Territory. The Assembly noted with deep concern the continued presence of military facilities on the dependency of Ascension Island and, in that regard, recalled all United Nations resolutions and decisions concerning military bases and installations in colonial and Non-Self-Governing Territories. The Assembly urged the administering Power to take all the necessary measures not to involve the Territory in any offensive acts or interference against neighbouring States by the racist régime of South Africa. The

Assembly considered that the possibility of dispatching a United Nations visiting mission to St. Helena at an appropriate time should be kept under review, and requested the Special Committee to continue to examine the question of St. Helena at its next session, and to report thereon to the Assembly at its forty-sixth session.
